## INTRO WORKSHOPS

**SELF-HEALING WITH OLHT: Two-Hour** - Join us for a fascinating, experiential training on energy healing. We will discuss how life force energy flows, how we create reality and how we can become healthier employing the six sacred practices: meditation, visualization, sound work, breath work, movement and sacred ceremony and how to heal ourselves with hands-on healing. Our OLHT instructor will lead us in several key self-healing exercises and a healing meditation, focusing on facilitating the release of stress and illness to promote optimal health. Afterwards, the instructor will answer questions and discuss the upcoming One Light Healing Touch School. For the schedule go to: [http://www.onelighthealingtouch.com/html/school\\_locations.html](http://www.onelighthealingtouch.com/html/school_locations.html)

## INTENSIVE WORKSHOPS

**A DAY OF HEALING: One-Day Workshop.** Experience six self-healing practices to deepen your personal healing and increase spiritual awareness, including: meditation, visualization, sound work, breath work, movement and sacred ceremony, and learn three profoundly effective healing techniques for healing yourself and others – Scanning, Radiant, and Color healing.

**ACCESS YOUR HEALING POTENTIAL: Two-Day** - Explore the ancient, spiritual art of hands-on healing. Learn key healing practices and techniques to heal yourself and others from an instructor of the respected, One Light Healing Touch Healer Training School. Learn to access, strengthen and apply the healing energies, which we all possess. Learn practices and techniques to enhance your immune system, clear emotional and physical blockages, increase understanding and awareness and bring greater balance and wholeness to your body, mind and spirit.

**PRACTITIONER CERTIFICATION: One-Day** - Our Practitioner Certification Program focuses on the process of knowing and understanding the subtle energetics and telltale signs of various core issues. Discussions about sharing these issues and symptoms with the client, as well as strategies for choosing combinations of healing techniques and practices, for immediate application and follow-up sessions. We'll discuss the skill of discernment: determining whether to accept a client, how to conduct a telephone interview, keys to booking clients, preparing for the client's arrival, conducting the session and follow-ups, post-session clean-outs, follow-up communication procedures, confirming a client's future sessions and all the necessary information and support material to conduct a top tier session. Further, we'll discuss how to characterize, promote and advertise your practice, as well as provide the in-depth information on presenting Open Evenings, Weekend Trainings, and more. Graduates receive an embossed OLHT Certificate and a seven year listing on the OLHT Certified Practitioner website page.

## COURSES

**BASIC TRAINING: Eighteen-Day** - This training offers valuable tools for everyone in the holistic arena and all those seeking personal growth and self-healing. We take a comprehensive, multi-leveled, heart centered and grounded approach towards health and healing. Graduates receive a Certificate of Completion.

### TRAINING INCLUDES:

- 1. TEACHINGS ON THE NATURE OF ENERGY** - A thorough presentation of the principles, laws and sacred uses of energy creates a solid foundation for training as a healer.
- 2. PREPARING AND CLEANSING THE HEALER** - An exploration of four areas of preparation essential for all healing modalities.
  - a) Grounding:** Proper grounding allows healers to stay present for themselves and for their clients. Learning to heal ourselves while staying within the physical body is essential to our spiritual growth and evolution.
  - b) Clearing the Auric Field:** This avoids the imbalances caused by holding onto the energy of clients and others.
  - c) Eliminating Obsolete Programming:** Learning to effectively release our old programming and freeing ourselves of our pasts is key to all personal growth and especially to healing work.
  - d) Connecting to Source:** Accessing Source teaches us how to live, how to know our purpose for being, and how to find our place in the world. This is a vital part of the process of helping someone to heal.
- 3. TOOLS FOR SELF-HEALING** - We teach 50 of the sacred self-healing practices, including: Meditation, Visualization, Sound-work, Breath-work, Movement and Sacred Ceremony
- 4. TOOLS FOR HEALING OTHERS** - We will learn a myriad of sacred and effective, spiritual, holistic and hands-on healing methods, including: Radiant, Magnetic, Color, Chakra, Clairvoyant, Heart, Higher-self, Male

& Female, Christ & Mary Consciousness, Archangelic, Ten Distance Healing Modalities, Initiations into White Light, Energy Awareness Training and much more.

**MASTERS TRAINING: 10 to 18 Days - (pre-requisite: graduate of the Basic Training).** The Masters Training includes some of the most beautiful, empowering, purifying, and important Spiritual teachings, initiations and healing techniques that any healer or indeed any evolving spiritual person may ever hope to experience. We work with The Merkabah Breath, The Kundalini and The Fire Breath, Out of Body Healing, Shamanic Soul Retrieval, The Infinite Soul, Akashic Records Exploration, Team Healing, Crystal Healing, Earth Grid Healing, Chiron, St. Germaine and Metatron Initiations; Master Spirit Guide and enlightenment work and much more. It's a rare treat to find these tools being offered anywhere, let alone together!

**TEACHER TRAINING: 10 Days -** This training is inclusive of all the information necessary to open an OLHT School and to train students to become exemplary healers. The various areas of training include: Presenting spiritual and energy based healing concepts from the esoteric, Shamanic, holistic, energetic, and hands-on healing formats. Leading students in 50 Healing Practices in the categories of Meditation, Visualization, Sound work, Breath work, Movement and Sacred Ceremony. Leading 33 Healing Techniques, from Radiant, Chakra, Color, Magnetic, Heart, Male/Female, Christ, Clairvoyant, Archangelic, and Past-life, to Distance healing. Initiating students into higher states of consciousness. Reading individual students to better understand them. Holding the group energy. Answering questions and giving information to which the answers are known by the trainer, and channeling answers to questions that are unknown to the trainer. The training also includes information on enrolling, advertising and publicity.
